

# Kerbside Recycling Solutions

## Why choose Weirbags?

We have supplied printed and bespoke kerbside bags to local authorities throughout the UK for over 20 years.

Listed on the following Frameworks:

Our accreditations:

## We are able to offer bespoke bags

### Fabric

- \* Manufactured from Woven polypropylene fabric
- \* Range of fabric weights and thickness
- \* Our innovative PET Kerbside Bag is made from fully recycled PET material, reducing the impact on the environment.

### Style

- \* Available in different styles;
  - Standard Box Bag
  - Easy open closure
  - Flat Sack
  - Battery Bags
  - Gull Proof Sacks

### Closure

- \* Our easy open and close bag offers a unique closure system using velcro to seal the top of the bag and prevents contents escaping

### Size

- \* Available from 20-180ltr to suit any application.
- \* Our most popular sizes are;
  - 30x30x45 cm = 40 litre
  - 35x35x50 cm = 60 litre
  - 40x40x45 cm = 72 litre
  - 45x45x45 cm = 90 litre
  - 45x45x60 cm = 120 litre

### Print

- \* Printing on up to 4 sides
- \* Ideal for displaying council logos and instructions for use
- \* Premium bag with best quality BOPP photographic print available

### Handles

- \* NEW Side tipping handles to make emptying easier for waste teams.
- \* Two reinforced lifting handles and tipping handle on the bottom as standard.

### Lid

- \* Open top or lid with Velcro closure prevents recycling from blowing away

### Fabric Colour

- \* Supplied in a wide range of colours
- \* Stain proof and easy to clean.

### Weighted Base

- \* Provides extra stability in windy conditions
- \* Made from synthetic rubber or a recycled polypropylene alternative
- \* Available weights range from 250g- 1000g
